

Twin Sisters. S.S. El Taino.

week from both Tacoma and Anchorage.

So think TOTE the next time you have something to ship. Just roll on and roll off one of our trailerships — your two lane sea highway to Alaska. And cut your ship-

ping and pick-up and delivery time in half.

Last summer we promised you the fastest, most convenient, and reliable shipping service in Alaska. The S. S. Great Land is half that promise. The new S. S. El Taino is the other.
